Volunteering. Indiana Invaders is a non-profit organization which depends on volunteer commitments from our players' families. To serve our players and the broader soccer community, we host several tournaments each year which are labor-intensive. We cannot do this without your help and support. For this reason, every family of an Invaders player must provide at least three (3) hours of adult, volunteer service during each tournament hosted by Invaders, such as Challenge, Presidents or State Cup (Spring), NISL or other league tournaments (Fall and/or Spring), and any tournament organized by Invaders (Fall and/or Spring). Typical volunteer responsibilities include serving as a field marshal, assisting with parking, and handling other tournament logistics. Prior to each event, you must sign up for a specific volunteer time slot.

If you fail to sign-up or to perform your volunteer commitment for any single event, you will be charged \$30 to cover the cost of hiring someone else to provide the service. In the club's discretion, a player whose family has failed to provide its volunteer service for an event may be ineligible to play in any competition until this fee has been paid. If you expect you will have conflicts with volunteer commitments throughout the year, you can instead pay \$100. -- In addition to any other regular fees and costs -- and be exempt from volunteer requirements for the year. This additional amount must be paid before your child's player card is issued.

I AGREE TO PAY THE REQUIRED PLAYER'S FEES AT THE TIME OF REGISTRATION TRYOUTS.

Please check the level of travel you are interested in. You may check more than one.
